

Bearing Capacity Certification

BUILDING DEPARTMENT

Revision Date: 11/30/2022

Form I.D. Number: 017.0

(SAMPLE LETTER TO BE TYPED ON ARCHITECT/ENGINEER LETTERHEAD)

Date

City of Coral Springs Building Department

9500 W Sample Road, 1st Floor

Coral Springs, FL 33065

Permit Application Number: _____

Lot: _____ Block: _____ Subdivision: _____

This is to certify that this building site, consisting of both naturally occurring soils and added fill, has been prepared in accordance with the soil tests requirements, and is sufficiently free of deleterious materials to provide the design pressure of _____ p.s.f. required to support the foundation of this building or structure.

(Attach all test reports, or "Rational Analysis" documentation, used to determine the "Allowable In-Place Bearing Capacity.")
