City of Coral Springs – Fiscal Year 2025

# GRANT ANNUAL REPORT

## FISCAL YEAR 2025

The City of Coral Springs continues to seek out grants that align with, and support, the goals of the city's Strategic Plan, and the city's Business Plan. This document represents an overview of the City of Coral Springs grant activities for FY2025.

There are two main categories the City of Coral Springs received grant funding from in FY2025 : 1) competitive grants and 2) Housing and Community Development (HCD) entitlement grants. The total competitive grant amount awarded was \$4.92 million, and a total of \$2.06 million was received for HUD entitlement grants, equating to a grand total of over \$6.9 million.

The citywide effort is represented below in the grant activities summary chart for FY2025. Staff applied for 100 grants requesting over \$28.4 million in funding for city priorities. The city was awarded 29 grants, resulting in a total award amount of \$6,980,460

A comprehensive table of all grants applied for, or received, in FY2025 is provided in the "FY2025 Comprehensive Table of the Grant Summary" section of this document.

## SOURCE OF GRANT FUNDS

Federal grants account for 65.5% of the grants awarded in FY2025. These grants provide comprehensive support for programs and initiatives. State grants account for 33.8% of the grants awarded in FY2025. These grants provide cybersecurity, drones for the police, and a post-overdose co-responder program that enabled the fire department to hire a new Community Paramedic. Private grants account for .7% of the grants awarded in FY2025. These funds may be smaller amounts but have a powerful impact on the Coral Springs Museum of Art, police community involvement programs and safety supplies to reduce injuries for employees.

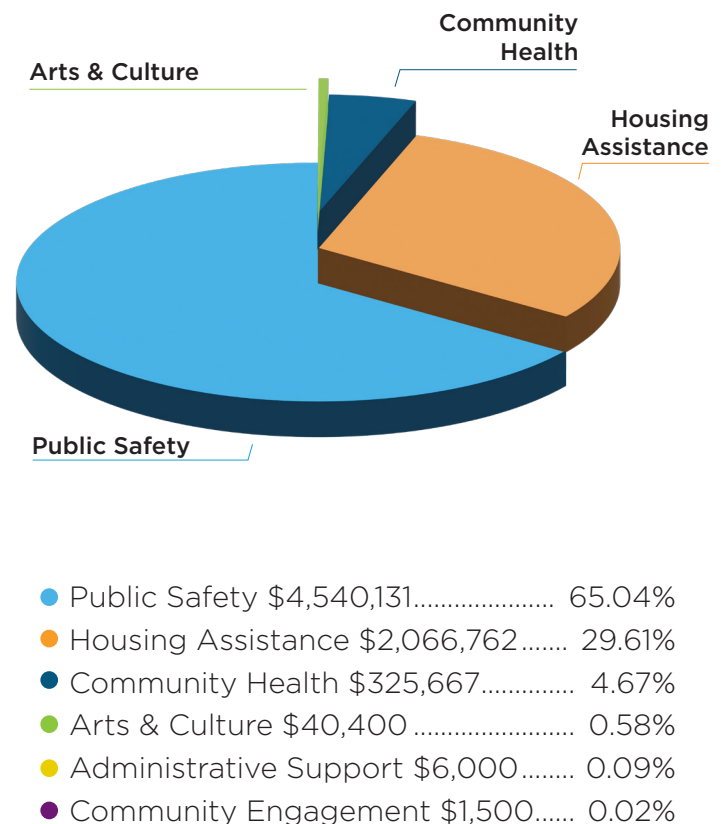

## HIGHLIGHTS OF FY2025 GRANT AWARDS

The grant funding received in FY2025 assists the city in our vision of being the premier community in which to live, work and raise a family. This funding does so by providing support to different areas across the city that would otherwise be funded through taxpayer dollars. These areas include:

- Housing Assistance: Help serve low-income households.
- Public Safety: Providing safety equipment and training to the city's police officers and hiring firefighters.
- Community Health: Supporting the Community Paramedic Program.
- Administrative Support: Providing necessary support for city Employees.
- Arts & Culture: Supports the Coral Springs Museum of Art.
- Community Engagement: Supports programs such as "Shop with a Cop".

The support the city has received is highlighted on the next page. For a more detailed list of the grants awarded in FY2025, please see the "FY2025 Comprehensive Table of the Grant Summary" section of this document.

# HIGHLIGHTS OF FY2025 GRANT AWARDS

- The U.S. Department of Housing and Urban Development (HUD) awarded grant funds totaling \$237,191 to the Home Investment Partnership Program (HOME). The HOME Program provides home purchase, rental assistance and rehabilitation services for low-income households. In FY2025, these funds were used to provide home purchase assistance to five families.
- The U.S. Department of Housing and Urban Development (HUD) awarded grant funds totaling \$794,085 to the Community Development Block Grant (CDBG). The CDBG Program provides home repair for low-income households, youth scholarships, senior programming, park and street improvements.
- The state of Florida awarded grant funds totaling \$1,035,486 to the state Housing Initiatives Partnership Program (SHIP). Funds are used to create partnerships that produce and preserve affordable homeownership and multifamily housing. The program is designed to serve low-income households. In FY2025, these funds were used to provide assistance to 15 residents.
- The Florida Department of Health awarded grant funds totaling \$325,667 to hire a Community Paramedic to facilitate a post-overdose co-responder program.

# HOUSING AND COMMUNITY DEVELOPMENT PROGRAM ENTITLEMENT GRANTS

A separate component of the city's grants program is \$2.06 million in housing and community development entitlement grants received from the U.S. Department of Housing and Urban Development (HUD) and the Florida Housing Finance Corporation in FY2025. The Community Development Block Grant (CDBG) Program supports building stronger and more resilient communities through a variety of development activities. Activities may address infrastructure needs, economic development projects, public facilities installations, housing rehabilitations, public services, land clearance or acquisitions, code enforcement issues and homeowner assistance.

The HOME Investment Partnership Program (HOME) provides state and local government grants to create affordable housing for low-income households.

The State Housing Initiatives Partnership Program (SHIP) provides funds to local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing.

## CENTRALIZED GRANTS PROGRAM

A quality grants management program furthers our efforts towards sound fiscal management and accountability. By obtaining grant funding for necessary purchases, city funds can be redirected to other high-priority needs such as facilities maintenance, infrastructure improvements, transportation enhancements and community services that make the City of Coral Springs the premier community in which to live, work and raise a family.

Strategic enhancements to grants management continue to be a top priority. This includes maintaining and strengthening the following processes:

- Identification, communication and centralized coordination of grants opportunities.
- Continuation of the Grant Opportunities dashboard to identify grants that the city will pursue throughout the fiscal year and the department responsible.
- Active engagement with our state and Federal lobbyists to advocate for the City of Coral Springs grant applications and appropriations requests.
